

Agro Balt[®] 2018

22'ND INTERNATIONAL
SPECIALIZED EXHIBITION
**ON AGRICULTURE
AND FOOD INDUSTRY**

MAY 24-26, 2018 | LITEXPO, VILNIUS

AgroBalt® 2018

On 24-26 May 2018, Lithuania will host the 22nd edition of the International Exhibition for Agriculture and Food Industry AgroBalt 2018 in Vilnius, LITEXPO Exhibition and Congress Centre.

AgroBalt, one of the most significant and largest international exhibitions for agriculture and food industry in the Baltic States, is devoted to:

- promoting cooperation among researchers, producers, sales and marketing specialists by increasing the competitiveness of Lithuanian products in domestic and foreign markets;
- delivering healthy and safe food to consumers;
- expanding Lithuania's participation in national and international development of agriculture;
- helping regional agricultural and food enterprises and institutions establish international contacts;
- analysing problems of food waste and food losses.

THE MAJOR THEMES COVER:

- high quality and safe food;
- agribusiness opportunities;
- tourism;
- agricultural and food equipment and technologies;
- livestock breeding;
- research and training achievements in the field of agriculture and food;
- agricultural machinery.

AgroBalt, one of the most significant and largest international exhibitions for agriculture and food industry in the Baltic States.

Facts / Figures / Events

Over 400 exhibitors take part at the biennial AgroBalt, attracting over 30.000 visitors. On the margins of the Exhibition, government members with official delegations and agricultural experts coming from different countries discuss and share views at meetings, seminars, conferences.

The latest food products, including organic ones, part of national heritage and other exclusive ones, will be showcased at the halls of the Exhibition. Visitors will be able to find and buy a great variety of seedlings, seeds, apiculture products, etc. AgroBalt 2018 will also focus on Lithuania's traditional crafts, culinary heritage, and the advantages of rural tourism.

A livestock breeding pavilion will introduce livestock breeding achievements, presenting livestock breeding and staging shows of horses.

Part of the events at AgroBalt 2018 will be dedicated to commemorate the 100th anniversary of the restoration of the state of Lithuania.

“

Over **400**
exhibitors and
30.000 visitors.

FARMERS' MARKET AND PUBLIC CATERING SITES,
ATTRACTIONS FOR CHILDREN AND OTHER EVENTS.

Traditionally, all the exhibitors will compete for AgroBalt 2018 Best Exhibit award that allows the products awarded to feature the prestigious logo of AgroBalt.

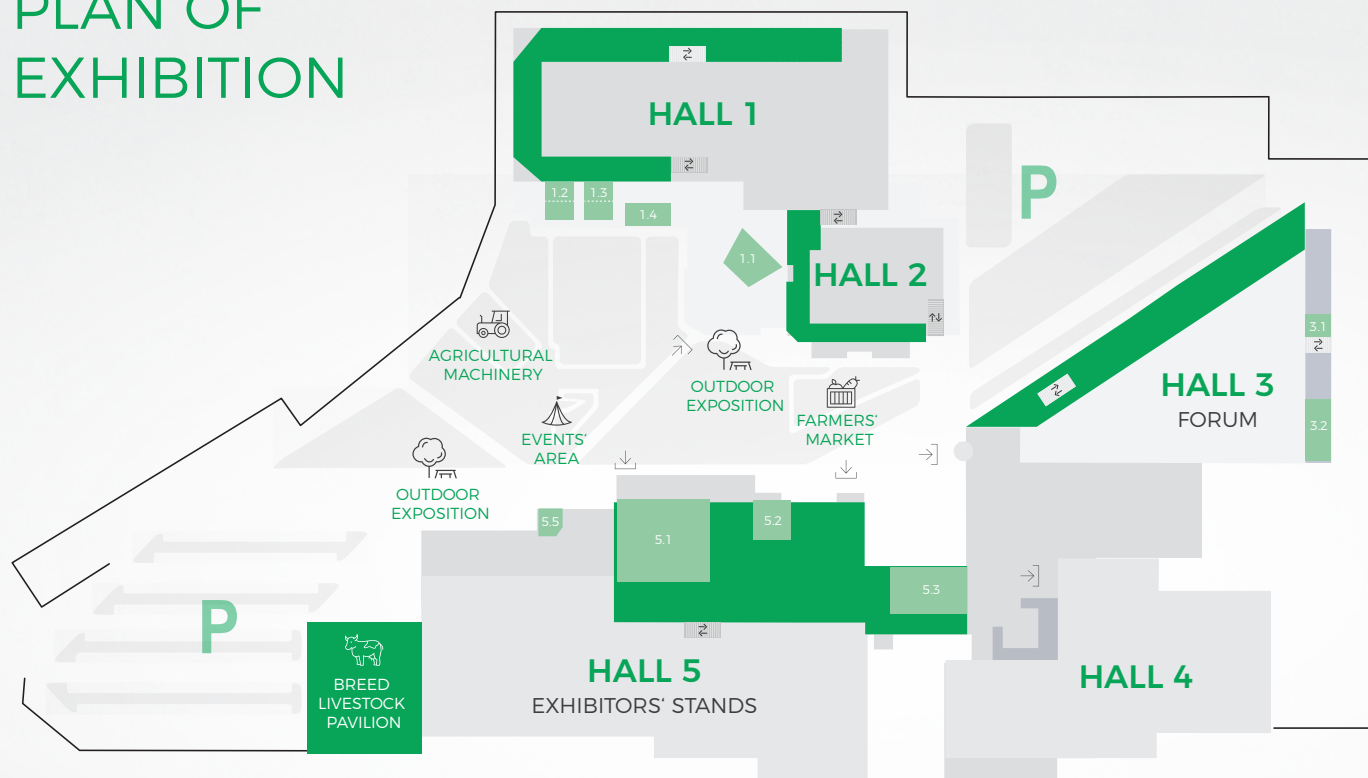

Within the framework of AgroBalt a high-level Political Forum will be traditionally organized. The Forum will be dedicated to Food Losses and Food Waste theme. In addition EU Platform Meeting on food losses and food waste will be held by the European Commission.

“

Spacial focus on the
Food Losses and
Food Waste theme.
